

Prof. Alla Pryshchepa
Educational and Research Institute
of Agroecology and Land Management

NATIONAL UNIVERSITY OF WATER AND ENVIRONMENTAL ENGINEERING

The National University of Water and Environmental Engineering (NUWEE), founded in 1915, is one of Ukraine's oldest engineering universities, offering over a century of expertise in IT, water and environmental sciences, civil and mechanical engineering, energy, and economics. As the largest higher education institution in the Rivne region, it includes 8 educational and research institutes, several centers and colleges, and provides 129 bachelor's and master's programs, 26 PhD programs, and 7 Doctor of Science programs.

WE OFFER

- Expertise in aquatic ecosystem restoration with modern monitoring tools.
- Applied research for sustainable community and regional development.
- Practice-oriented training.
- Support in embedding sustainability in university operations and curricula.

WE ARE LOOKING FOR

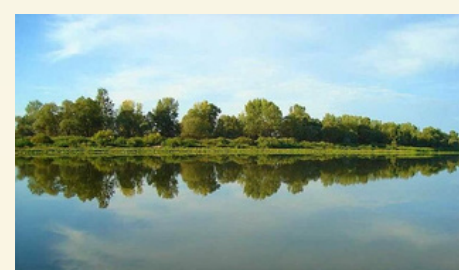

- University partners for joint research and grant applications.
- Institutions interested in mobility programs and collaborative learning.
- Institutional partners for the modernization of educational programs and the development of micro-credentials and certified courses focused on the principles of the Green Deal and the post-war reconstruction of Ukraine.

UNIQUE EXPERTISE & INITIATIVES

Education for Environmental
Transformation under the Green Deal

Revitalization of Aquatic
Ecosystems for Communities

Applied Studies on Rural
Development

NETWORKING FOCUSES
